Sports Day!
1. I liked doing all of the racing and spending time with my friends.

What I liked about sports day
I liked the tug of war, the penalties, the sack race, the running race, the three legged race and the wheelbarrow race.
I liked everything about sports day.

I liked the general atmosphere of it and we didn't have to do work.
I also liked the races because I got to do them with my friends.
