

• I loved Sports Day because we got to be out in the sun all day instead of doing schoolwork.

• I loved doing the sack race because it was so funny when people fell over.

I liked about sports day that we had no school work or homework and it was great having fun with my friends and teachers. It was a lovely day!

What I liked about Sports Day!

Robyn  
4th class

What I liked about it is that all the races were open for fun and fair as well.

I love Sports day because it's fun and you get to miss lots of school work.

I liked the tug-of-war on sports day.  
I also enjoyed watching other classes race.
